Attendance

The number of absences from marching band practice has become problematic. The success of our band relies heavily on all members being present at all practices. Please make every effort to schedule work, doctor's appointments, etc. around our practice time. If you need to miss a practice, please let me know prior to the day of the practice. Thank you for doing all you can to ensure that we have a successful fall marching band season.

Upcoming Events (Competitions)

October 17	Competition at Hart County High School
October 24	Competition at Monroe Area High School
