Competition

[Click here for a detailed itinerary and directions to the competition.](#) Parents and family members, our band members work extremely hard to prepare for this competition. We desperately need chaperones for the trip and your support in the stands. Please consider chaperoning our trip to Hart County high school or driving up to watch the performance. Our children perform their best for an audience of band families.

Band Fees

Our next payment of \$75.00 for the marching band is due **October 15, 2020**. [Click here for our current band costs.](#) Due to the pandemic and its effects on the marching band, you will notice a reduction in fees.
