October 23	NO FOOTBALL GAME	

JV Versus Clarke Central

In an effort to offer our students as many performance opportunities as possible, it was decided to allow the marching band to perform in the stands and at halftime for JV football games. These occur during our regularly scheduled practice times. With this, I am unsure of the game length. Halftime should end by 6:45 pm. If your child must depart following half time, they may do so. For this week, please bring your summer uniform to change into for practice and the game.
